Industrial Process Pumps
Municipal Water, Waste Water, & Heavy-Duty Mining Pumps

ProMinent®
Chemical Metering Pumps
ClO2 & Ozone Generators
Measured Variable Controllers & Sensors
Custom Chemical Feed & Control Systems

dp pumps
Excellence in Vertical, Multi-Stage Pumps

GREENPUMPS
MAG DRIVE SEAL LESS PUMPS

VICTOR PUMPS
Self-Priming Centrifugal
Internal Rotary Gear

Pompe GARBARINO
calpeda®
Multi-Stage, High-Pressure

Multi-Stage
Solids Handling
End Suction Centrifugal
Vertical Submersible with Modular-Shaft Technology
Heavy-Duty Mining
Double Suction
Submersible Deep Well
Process Control Valves Solenoids, Solenoid Manifolds
Sanitary Diaphragm Valves & Transmitters
Flow, Pressure, Level, Temperature Measurement & Control

POWER GENERATION & PLANT PROCESS STEAM PRODUCTS

Condensate Return Systems, Thermostatic Steam Traps, Bi-Metallic Steam Traps, Steam Trap Testing Equipment & Surveys, Heat Recovery Systems

ENGINEERING & FIELD SERVICES

Engineered Process Skid Systems Custom Control Enclosures
Condensate and Heat Recovery Systems
